

MaxMobile™ CRM for BlackBerry®

“MaxMobile for BlackBerry makes it possible for me to leave the office with just my BlackBerry, go to a client meeting, and be more effective than if I had my laptop with me”

Alan Joenn, Account Director

Mobilise Your Workforce with Maximizer® CRM and BlackBerry®

MaxMobile CRMⁱ for BlackBerry keeps you on top of your deals with complete access to the critical customer and prospect information essential to achieving success. Leverage the power of mobile CRM on the latest BlackBerry® smartphonesⁱⁱ to build loyal customer relationships and win more deals. Staying productive in the field demands a CRM solution that will work seamlessly with your BlackBerry's already powerful features, to make it the most efficient and intuitive tool for success on the road.

Whether you're in sales, on a field service team, or a frequent-flyer executive, your BlackBerry mobile smartphone will give you the competitive edge to work at the speed your customers and business demand — anytime, anywhere.

Build profitable relationships

- Respond on-the-fly to engage prospects, build customer loyalty and close more deals.
- Prepare for your next meeting or call with a complete view of the customer's information — including activity, account status and financial history.
- Track each customer's history, including conversations, transactions and service cases to deliver value, build loyalty and increase repeat business.
- Maximise customer satisfaction by resolving and updating service cases in the fieldⁱⁱⁱ.
- Elevate the level of communication and information kept on record with video, voice and image capture and storage in the customer or prospect's record within MaxMobile CRM for BlackBerry.

Increase productivity and optimise sales resources

- Quickly and easily navigate the new tab-based interface for BlackBerry smartphones.
- Improve customer interactions with immediate access to leads, opportunities and cases.
- Conduct timely follow-up and keep deals moving, with access to updated details of sales opportunities.
- Minimise administration work back at the office and stay on top of follow-up activities while on the road.
- Improve productivity in the field by viewing, creating and editing documents on your BlackBerry.
- Instantly turn customer address details into maps and directions on your BlackBerry.
- Log calls, SMS text messages and emails to customer records in Maximizer CRM with one click.
- Integration with your BlackBerry's built-in address book, email and phone enables you to immediately create new records, opportunities, cases, appointments, tasks and notes within Maximizer CRM and vice-versa.
- Receive and send automatic email notifications for appointments.
- Plan your optimal day of appointments and activities by mapping multiple customers to your BlackBerry GPS to get turn-by-turn directions^{iv}.
